**PROPOSED MEMORANDUM OF UNDERSTANDING BETWEEN
KERN COUNTY AND KERN COUNTY DETENTION OFFICERS' ASSOCIATION
Fiscal Impact: \$3,221,000 [FY 2024-25 \$1,587,000]; General Fund; Not Budgeted; Discretionary**

Kern County's 2021-2026 Strategic Plan includes the key objective "*Be a Model of Excellence in Managing Our Business and Workforce.*" Included under that objective are the goals of attracting, developing, and retaining top talent across all business areas of the County. The plan identifies the need to ensure competitive compensation practices and to reform our countywide components system to enable regular cost of living adjustments (COLAs). The proposed Memorandum of Understanding (MOU) with the Kern County Detention Officers' Association (KCDOA) makes a significant step toward achieving these objectives for the employees they represent.

The current MOU with KCDOA expired on June 30, 2024. The parties began successor MOU negotiations on April 2, 2024, and reached a tentative agreement on June 14, 2024. KCDOA conducted a successful ratification vote of the tentative agreement, and the parties jointly propose the attached successor MOU for Board of Supervisors approval.

The key substantive changes made in the proposed MOU are:

- Contract term through June 30, 2026
- 3% salary increase effective July 13, 2024
- 3% salary increase effective July 12, 2025
- Cash out of up to 40 hours of vacation or compensation time off (CTO) annually
- Provide a total of 5% Special Pay for K9 handler pay and care
- Provide a second opt-out period for Retiree Health Premium Supplement Program for all KCDOA members

The fiscal impact of the proposed two-year MOU is approximately \$3,221,000 in the Kern County Sheriff's Office budget unit. County Counsel has approved the proposed Memorandum of Understanding as to form.
